

ALMERA

Engineered for Excitement

The New Nissan Almera embodies excitement inside and out with its stylish new front and rear fascias, array of Nissan Intelligent Mobility features that lets you stay connected to your Almera wherever, whenever.

Engineered to take on the streets.

Subcompact sedans are rarely packed with tech. The new Nissan Almera changes all that. It comes with the best of Nissan Intelligent Mobility, features that make daily driving a hassle-free and enjoyable experience

Intelligent Around View Monitor with Moving Object Detection

Using four camera, the Intelligent Around View Monitor with Moving Object Detection gives you a virtual 360° view of your surroundings that can help you park in even the tightest spaces. It also provides visual and audible alerts when a moving object is detected nearby.

Blind Spot Warning

Helps you keep an eye on blind spot areas. It gives you visual and audible alerts when it detects vehicle hidden from sight, so you have more confidence when changing lanes.

High Beam Assist

Automatically switches to low beam headlights when it detects a vehicle ahead and turn the high beams back on when needed

Rear Cross Traffic Alert

This system warns the driver with an audible alert when there is risk of collision with a vehicle crossing into the rearward direction of the reversing vehicle

Innovations that looks out for you.

Imagine being surrounded by confidence on your every drive. The Almera's intelligent features monitor what's around you and can step in and take action to help keep you out of trouble

Intelligent Forward Collision Warning

The Almera is on the lookout to keep you safe. It provides audible and visual alerts when sudden deceleration happens in front of your vehicle

Intelligent Emergency Braking

In case of a possible collision, the intelligent Emergency Braking System kicks in to reduce speed and help to avoid a frontal impact with a vehicle ahead

Lane Departure Warning

Enhances your safety by making sure you only change lanes when you mean to. It gives you visual and audible alerts when it detects an unintentional lane departure

Hill Start Assist

This technology allows drivers to change pedals easily from the brake to the accelerator and carry out a safer hill start

Sleek And Stylish

The New Nissan Almera gets an updated exterior design with new front and rear fascias, along with a captivating Two-Tone body colour. Every corner and curve creates an exterior design that embodies cutting-edge engineering.

LED TAIL LAMPS

LED HEADLAMPS

BLACK FINISH OUTSIDE
DOOR MIRRORS

15" ALLOY WHEEL DESIGN

Agile and Powerful.

Smooth handling and a powerful 1.0-Liter turbocharged engine make the New Nissan Almera a sedan that's engineered to give you exciting performance.

TURBOCHARGED EXCITEMENT

The Almera 1.0-Liter turbo HRA0 engine delivers a maximum power output of 100PS and a hefty 152NM of Torque while its variable valve timing technology gives you more thrilling performance without sacrificing fuel efficiency.

Tailored with attention.

Soft touch materials and premium contrast stitching make the new Almera interior a cut above the rest.

7" TFT METER WITH ADVANCED DRIVE ASSIST DISPLAY

Lets you tailor every detail of your drive from audio, to fuel efficiency, to driving aids and more. Have all the information you want and need at a glance.

AUTOMATIC CLIMATE CONTROL

The automatic climate control system features a stylish control unit that lets you dial in your perfect temperature. Just set it and the system adjusts accordingly to maintain the ideal level of air-conditioned comfort.

NISSAN 8" ADVANCED DISPLAY

The smartphone connectivity Audio with Apple CarPlay and Android Auto allows you to seamlessly access music, navigation and calling features.
